Dear Mr Allomby

I enclose herewith a letter from the Chief Education Officer making a formal offer of a place at Ottershaw School in the term beginning in September 1948.

When you have sent him your reply to this and he has assessed the fee payable and you have signed the agreement with the Surrey County Council, he will inform me; I will then send you particulars about your son's clothes and the school number allotted to him.

As you know, I have seen your boy and his present Headmaster. I have every hope that he will respond to the opportunities of the new school. He will be expected to take his full share of responsibility for the development of the life at Ottershaw, for it is on the energy, enthusiasm and steadiness of character of the first boys that the tradition of the school will be built.

If you have not already visited the school you will be most welcome to do so. I am usually available on Saturdays and Sundays, which are the days most convenient for parents, but it is as well to telephone in advance if you want to be sure of seeing me.

Yours sincerely,

A. E. Foot

HEADMASTER.
