P.S. J. M. HUGHES !

In early 2020 several apartments were being renovated in the Mansion

Whilst the work was ongoing, an electrician contacted Ottershaw historian John Athersuch with the attached document which he had discovered on the inside of the door to the electrical meter room. John has kindly passed a copy of the document on to OSOBS as he felt it could be of interest.

Those mentioned are:

Chris Harlowe	OTT 316	West
Ian Graham	OTT 312	West
Graham Rippon	OTT 418	East
David Rabjohns	OTT 337	West

The P.S. appears to refer to Mr J M Hughes who was both a history teacher and West House housemaster.

At the time of writing, all the boys mentioned are still alive and Ian Graham is a member of OSOBS but he cannot remember why this note was created. He is however still in touch with the others and intends to contact them and so maybe we will eventually discover what it was all about!
