14th May 1953.

Dear Mr Palmer,

I enclose herewith a letter from the Chief Education Officer making a formal offer of a place at Ottershaw School in the term beginning on 14th September 1953.

I enclose a form which should be filled up and sent at once to the Chief Education Officer, Surrey County Hall, Kingston-upon-Thames. You will be sent from there the assessment of the fee payable and a form to embody the terms of your agreement with the Surrey County Council. As this may take some time I would be glad if you would acknowledge this letter to me, and confirm that it is your intention to accept the offer of a place. If you do not intend to accept it, I would be glad to know at once so that it can be offered to another applicant.

You will be most welcome to visit the school with your boy, if you have not already been here. It is more interesting to come whilst the boys are here. The summer term lasts until 25th July

When I hear from County Hall that they have received the final agreement, I will send you some papers concerning clothes and other matters.

Yours sincerely,

A.E. Foot

HEADMASTER.
