

OTTERS~~SHAW~~ SCHOOL.
CHERTSEY,
SURREY. U.K.

10th August, 1966.

On or about the last day of term six records were taken from the School Record Library after the final check had been made. Their disappearance was not discovered until the boys had left, and I must therefore ask parents to let me know if they have any reason to think that these records are in their son's possession. Each record has the catalogue number written on the cover of the sleeve. The records are :

<u>Name of record</u>	<u>Composer</u>	<u>Cat.No.</u>
