

NAME LOVEGROVE PHYSICAL EDUCATION REPORT
NO. 812

During their school life all boys are encouraged to take tests in three activities (1) Athletics (2) Gymnastics (3) swimming.

In each there are three standards for each activity in each age group, bronze, silver and gold. If a boy reaches the bronze, silver or gold standard in all three activities he is awarded the appropriate acorn-shaped badge. This is recorded on the Trials Sheet. For any badge awarded in the current term the tick is in red; previous standards are in blue.

In Athletics, in order to qualify, the boy must reach the standard in (a) sprint (b) middle distance (c) long distance (d) cross-country (e) a jump (f) a throw.

In Gymnastics, he must reach the standard in (a) strength (b) vaulting (c) agility.

In Swimming, he must reach the standard in (a) 25-metres (b) long-distance (c) dive.

In order that parents may know the progress made by a boy an entry (B.S.G.) will be made in red for activities he has passed during the past term and in blue for those passed before. There will be no other P.E. report.

Athletics	(a) Sprint	S
	(b) Middle distance	S
	(c) Long distance	S
	(d) Cross-country	B
	(e) Jump	S
	(f) Throw	S
	Overall standard.	B
